## Editorial

It has been said that one misses the better things in life only when he has lost them, and he never realizes how fortunate he has been until he is no longer so. Our good fortune has been in attending one of the best schools in the South; yet while we were enjoying this privilege we had no idea of what we were experiencing.

It is only then in this senior year that we realize, as have others before us, that ours has been the best preparation available for the new life we are about to enter. All will go their different ways with one thing in common—a common heritage of a first-class education at Manual.

All the time and struggle at last have accomplished their one end, and now we must look forward and hope that we shall come through the next experience as well as we have accomplished our last three years at Manual. There will be new ideals, new places, even new schools for some. None of us, however, will forget his years at Manual as some of the best years of his life. All that is left to be said is “good-bye” to the big Red of Manual.

—M. B. L.

### In Memoriam

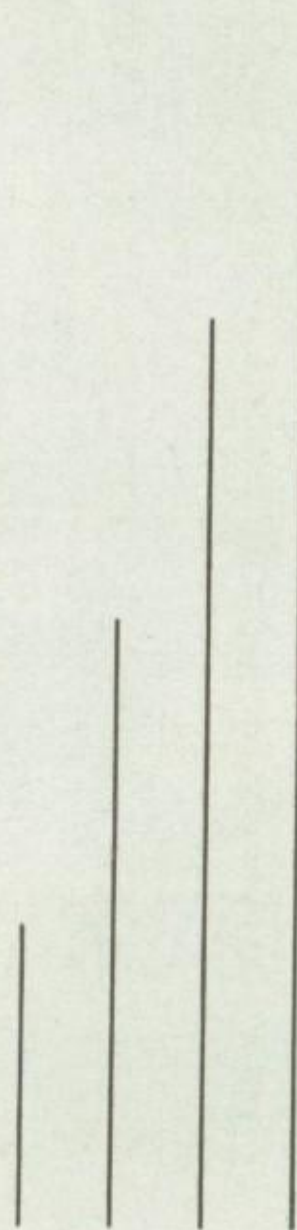

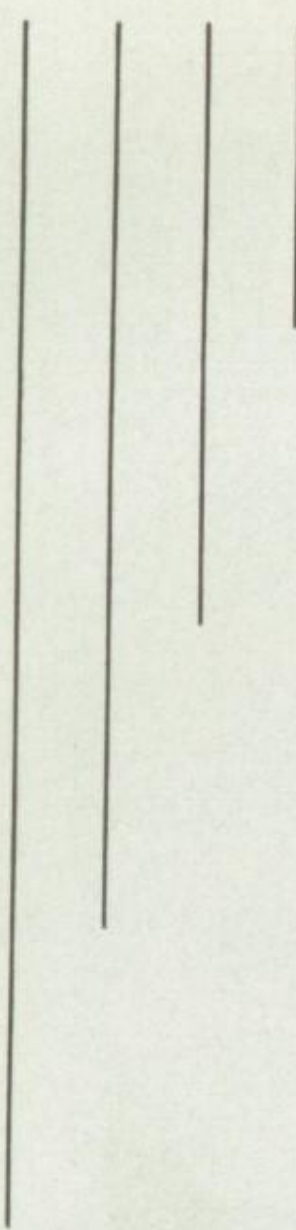

#### MISS LOURENA LOIS EATON

In the death on Sunday, May 2, 1954 of Miss Lourena Eaton, duPont Manual lost a staunch friend, a faithful and conscientious teacher, and a loyal and sympathetic adviser and counselor.

Miss Eaton was assigned to Halleck Hall on January 30, 1939 and taught there and later at duPont Manual High School, junior division, until her illness made necessary her request for sick leave, which was granted last fall.

For two years, however, (1948-50) Miss Eaton was assigned to the curriculum department at the Board of Education.

STUDENT COUNCIL

## Student Council

We are very fortunate to have an active student government plan. Through self government in school life, it is hoped that we will prepare ourselves for the larger job of participating in the government of our country.

Every student in the school is a member of the All-Student Association. Each homeroom is taken as a unit and each homeroom sends a representative to Student Council meetings. An alternate is also elected to substitute in case the representative is unable to attend. To keep the school informed of Student Council projects, a publicity chairman is also elected.

The Student Council has accomplished much during the past year. We have had several successful dances, distributed baskets to poor families at Christmas, and put out a student directory. In addition there was the annual fall variety show, by which we made money for the school funds. Also, of course, the usual tasks of the school, having hall aides and cafeteria helpers, ushering at various meetings were taken care of by the council.

HONOR SOCIETY

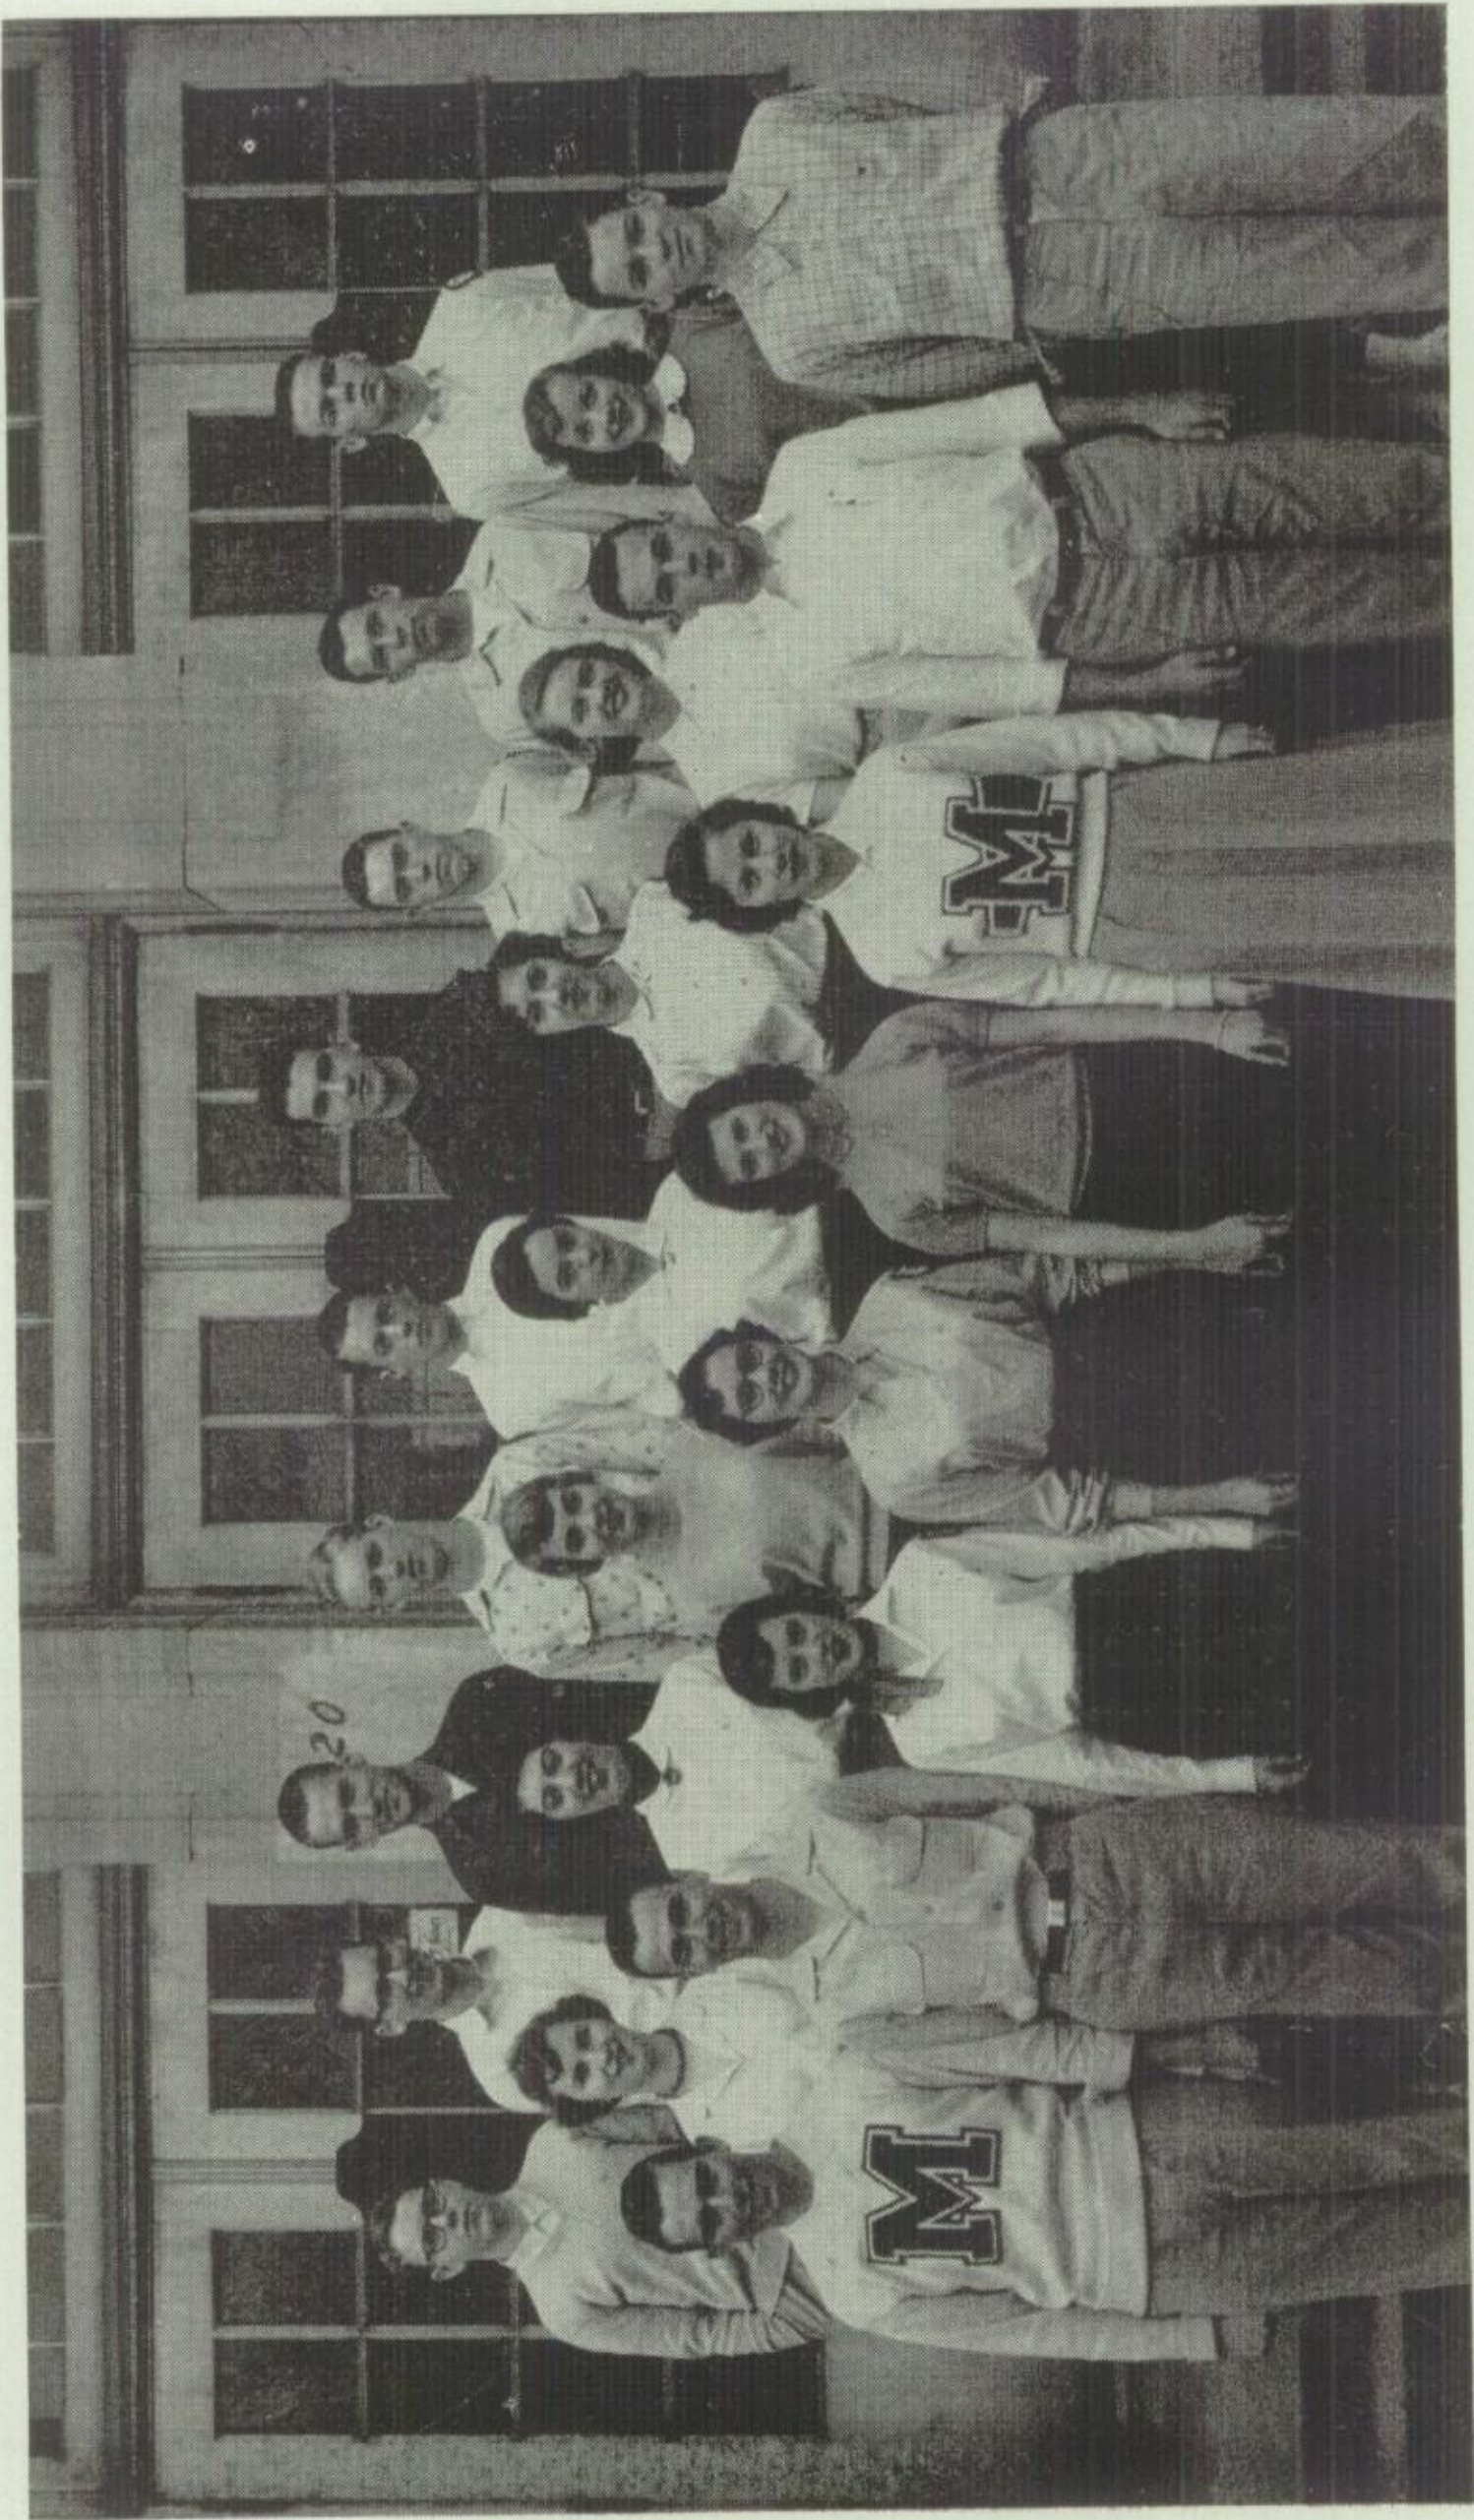

## Honor Society

The Manual Chapter of the National Honor Society was reorganized this year and the first induction was held November 17. The membership of this group is chosen by the faculty from the junior and senior classes on the basis of four qualities: scholarship, leadership, character, and service.

The officers for this year were:

|                      |                   |
|----------------------|-------------------|
| President .....      | Charles Trevathan |
| Vice President ..... | Willa Jean Duvall |
| Secretary .....      | Ann Brown         |
| Treasurer .....      | William Gravely   |

STUDENT COUNCIL EXECUTIVE BOARD

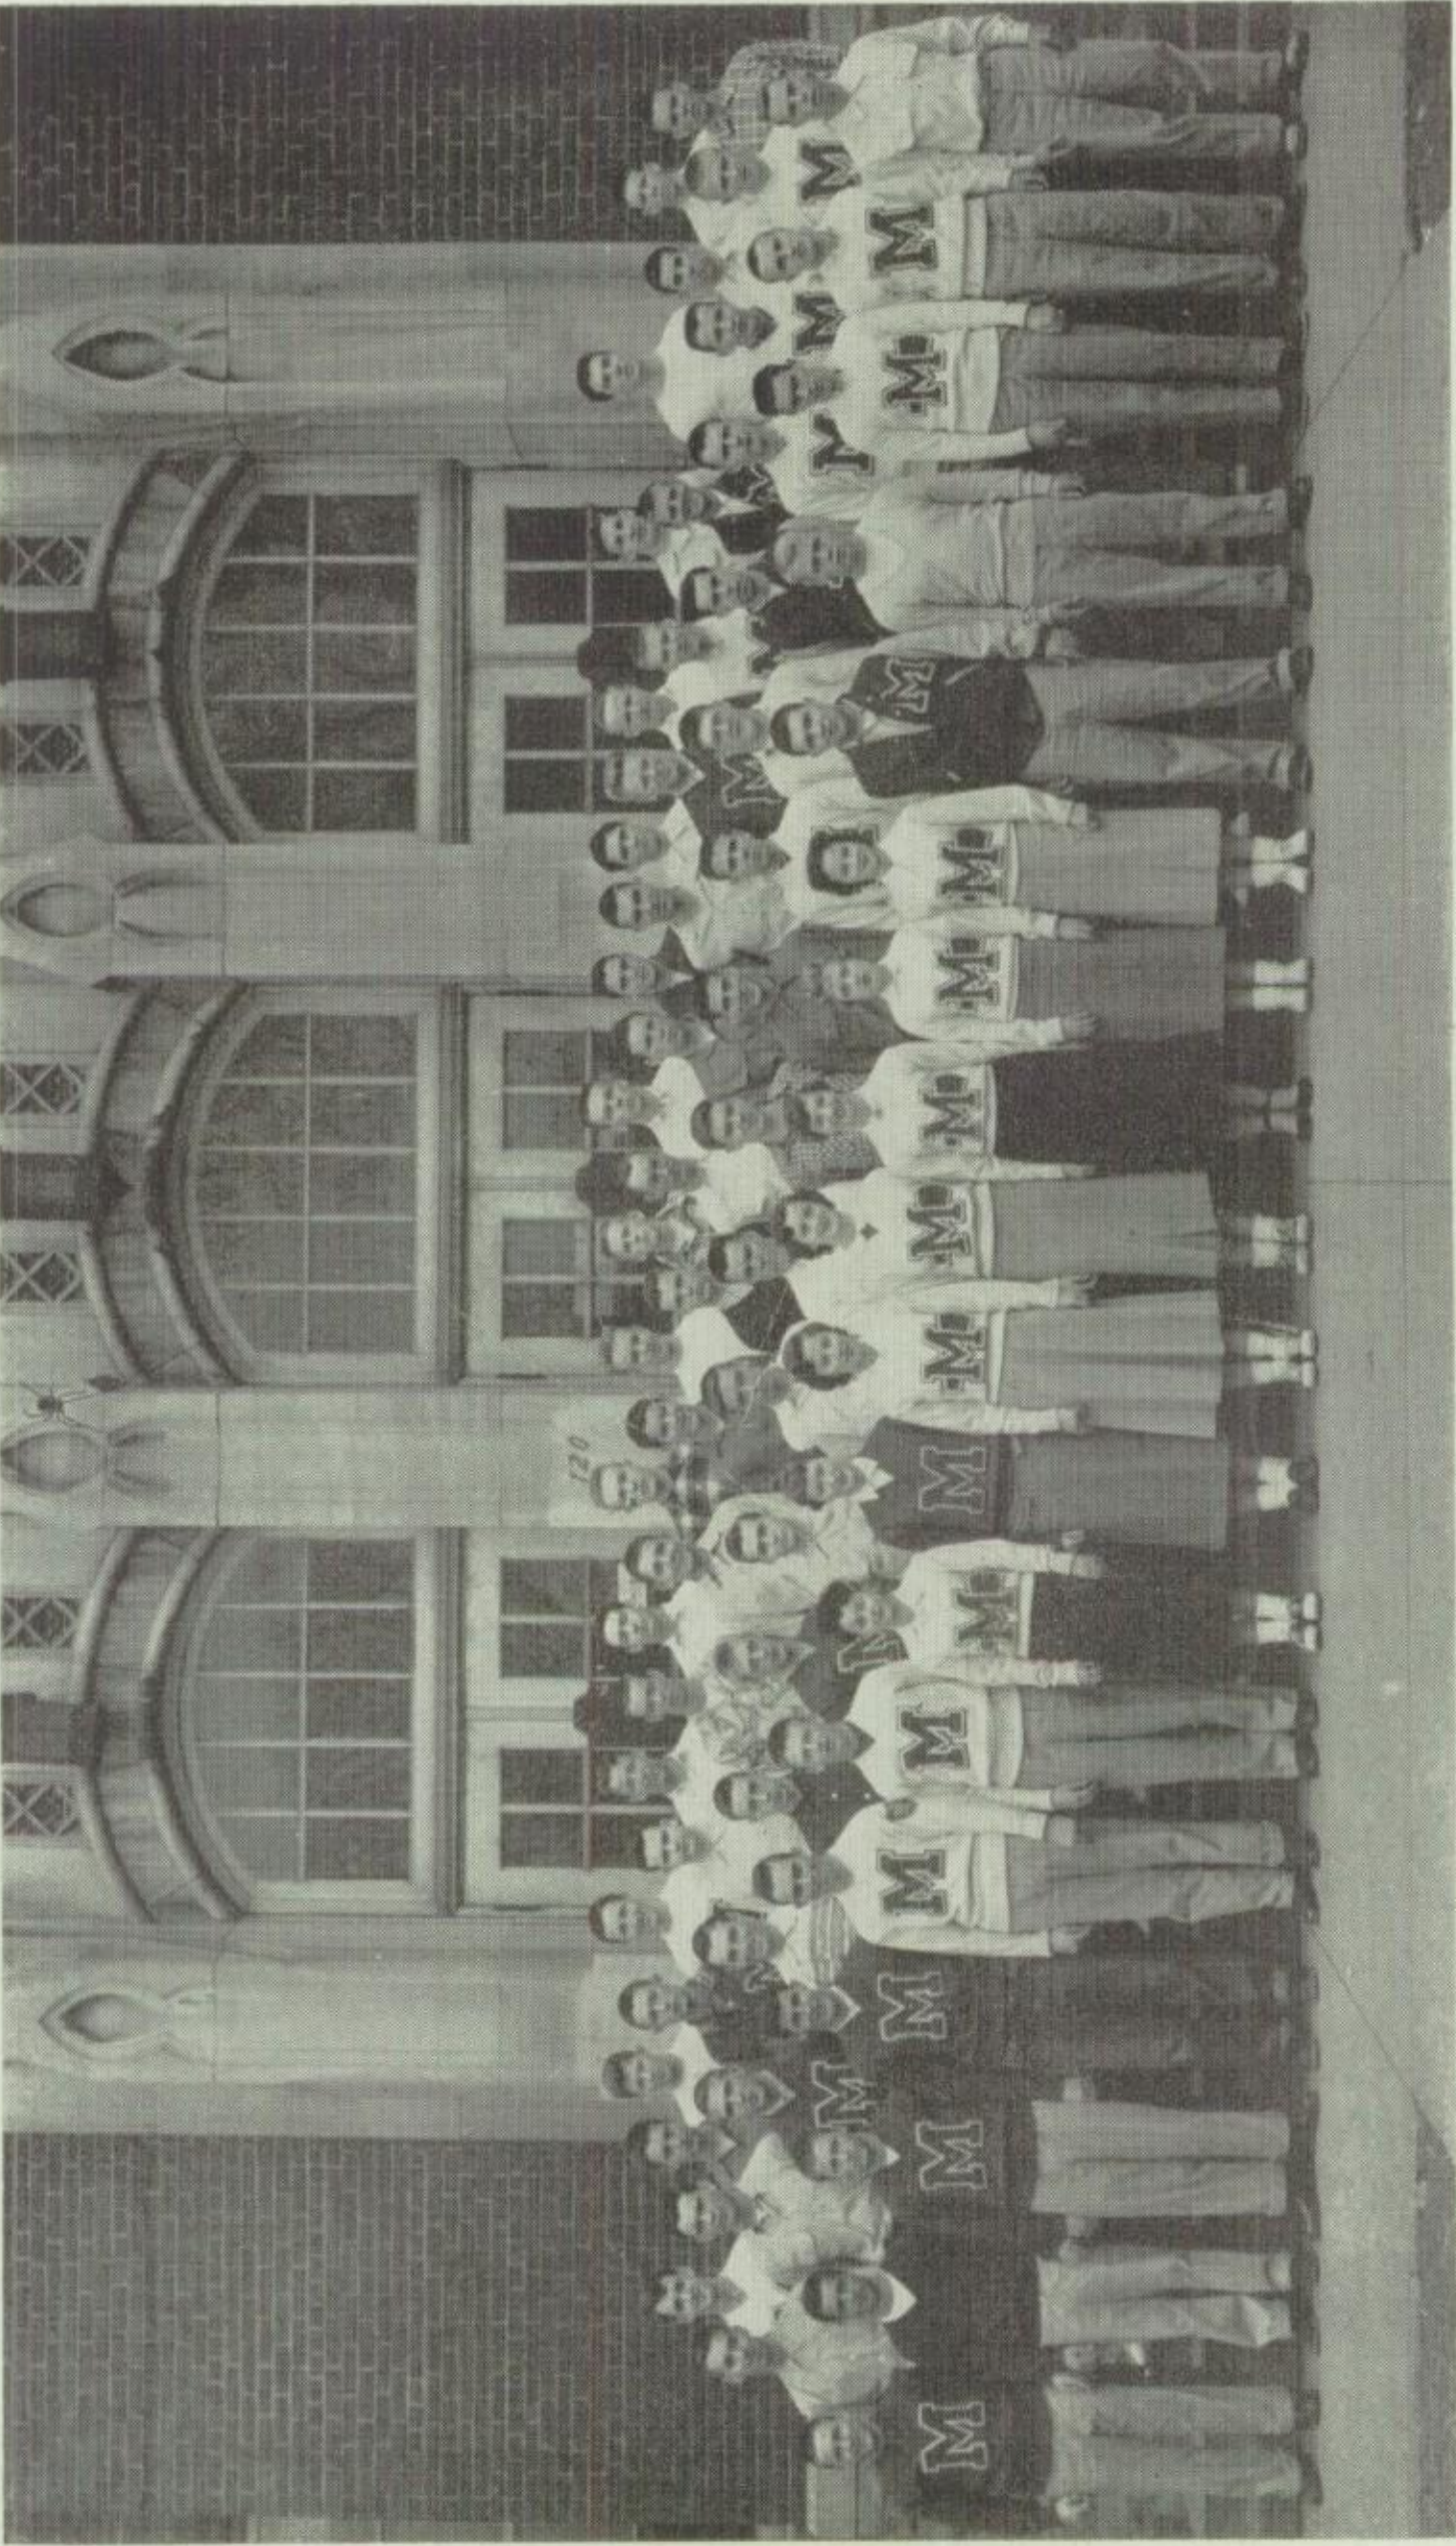

## Student Council Executive Board

The success of any project depends on the planning behind it. The Executive Board is the planning committee of the Student Council. Elected by their English units, the members serve the full time they are at Manual. Character, leadership, an average of 80% in each subject, and a good attendance record are the requirements for election to the Board.

Members of the Board serve as chairmen of the various committees that carry out the work of the Student Council. From the Board come the officers of the All-Student Association. All Student Council plans have their birth in the Board meetings. The whole student government plan depends on the Executive Board for guidance and direction.

"M" CLUB

## "M" Club

The "M" Club is one of the oldest clubs at Manual. Every athlete or cheerleader who has won a varsity letter at Manual has belonged to this club. Admission to this club is automatically gained by receiving an "M." Its purposes are to honor its members, encourage good sportsmanship, and instill the Manual spirit in the student body. We believe that this club will remain at Manual as long as there are sports activities here.

The club wishes good luck to the class of 1954.

AUDIO-VISUAL

## Audio-Visual Education

We should all be proud of our Audio-Visual department, which is considered one of the best in the state. Our equipment consists of motion picture, filmstrip, and opaque projectors; record players; recorders and a splendid centralized sound system. Two direct telephone lines from the main library to our school give us access to thousands of recordings and transcriptions which can be piped into our classrooms.

The boys and girls in this picture operate this equipment, plus the microphones used in all assembly programs. All work is under the supervision of Miss Olga Schmutz, director of audio-aids. We are indeed fortunate to have such a department here at Manual.

FUTURE TEACHERS OF AMERICA

## Future Teachers Of America

The Alice Freeman Palmer Club of the Future Teachers of America has had a very successful year. The members have learned a great deal about teachers and teaching. We have had a variety of programs at our meetings. Principals, teachers, and others concerned with education in Louisville have given us interesting, informative, and educational talks on the subject of becoming teachers. Some members have observed elementary teachers conducting their classes. Other members have had actual teaching experience themselves here at Manual. Some have attended the state workshop, the county one, the K.E.A.-F.T.A. Convention, and other K.E.A. meetings. We had a Christmas party and are looking forward to a party at Dumesnil House in May.

We had sixteen members this year and will lose nine seniors. These are: Alice Blair, Juliann Cook, Marion Cox, Madeleine Crawford, Willa Jean Duvall, Gwynneth Gibson, Shirley Miller, Susan Miller, and George O'Connor.

We would like to extend a cordial invitation to anyone who has even slightly considered teaching as his or her profession to join us next year. Membership in the Future Teachers of America will either convince you that it is definitely the one for you or will convince you that it wouldn't suit you at all.

You will not be obligated to join if you just come to a meeting and learn the facts.

KEY CLUB

## Key Club

The district convention climaxed one of the Key Club's most successful years. During the year we have tried to be of service to the school whenever possible. Last fall we gave a skit in assembly and assisted the queen and her court at the homecoming football game. We helped the Student Council with all of their dances after games.

To make money we sold tickets for the Little Theatre Productions at the University of Louisville Playhouse. We are still selling the "M" decals.

For social activities we have had picnics and parties. We had a private boatripe on the "Old Zach."

The biggest event of the year was the district convention, of which we were the host club. It was the most successful convention the district has ever had.

We will have several representatives attending the International Convention in Philadelphia.

The newly elected officers are:

Y-TEENS

## Y-Teens

Y-Teens are girls from junior and senior high school who are members of the YWCA. They are divided into clubs in which there is a chance to "get into the act" and help get lots of things done. Y-Teens endeavor to keep variety in their activities. For fun there are parties, dances, slumber parties, and swimming, to mention a few. But all fun would make Jane a dull gal, so Y-Teens also have programs on getting along with others, how to look one's best, how to prepare for a job or college, what is going on in the world and in the community. And always, whether Y-Teens are planning for a dance or for a discussion on brotherhood, there is a sharing of ideas and leadership by everyone.

LATIN CLUB

## Latin Club

The Latin Club has had many interesting meetings during the school year. We have had an assembly program, a banquet, a picnic, and various other activities.

We have had a fine attendance, and we sent a delegate to Lexington to represent us at a Latin Club meeting there.

Many improvements were made in our club this year, but plenty remains to be done.

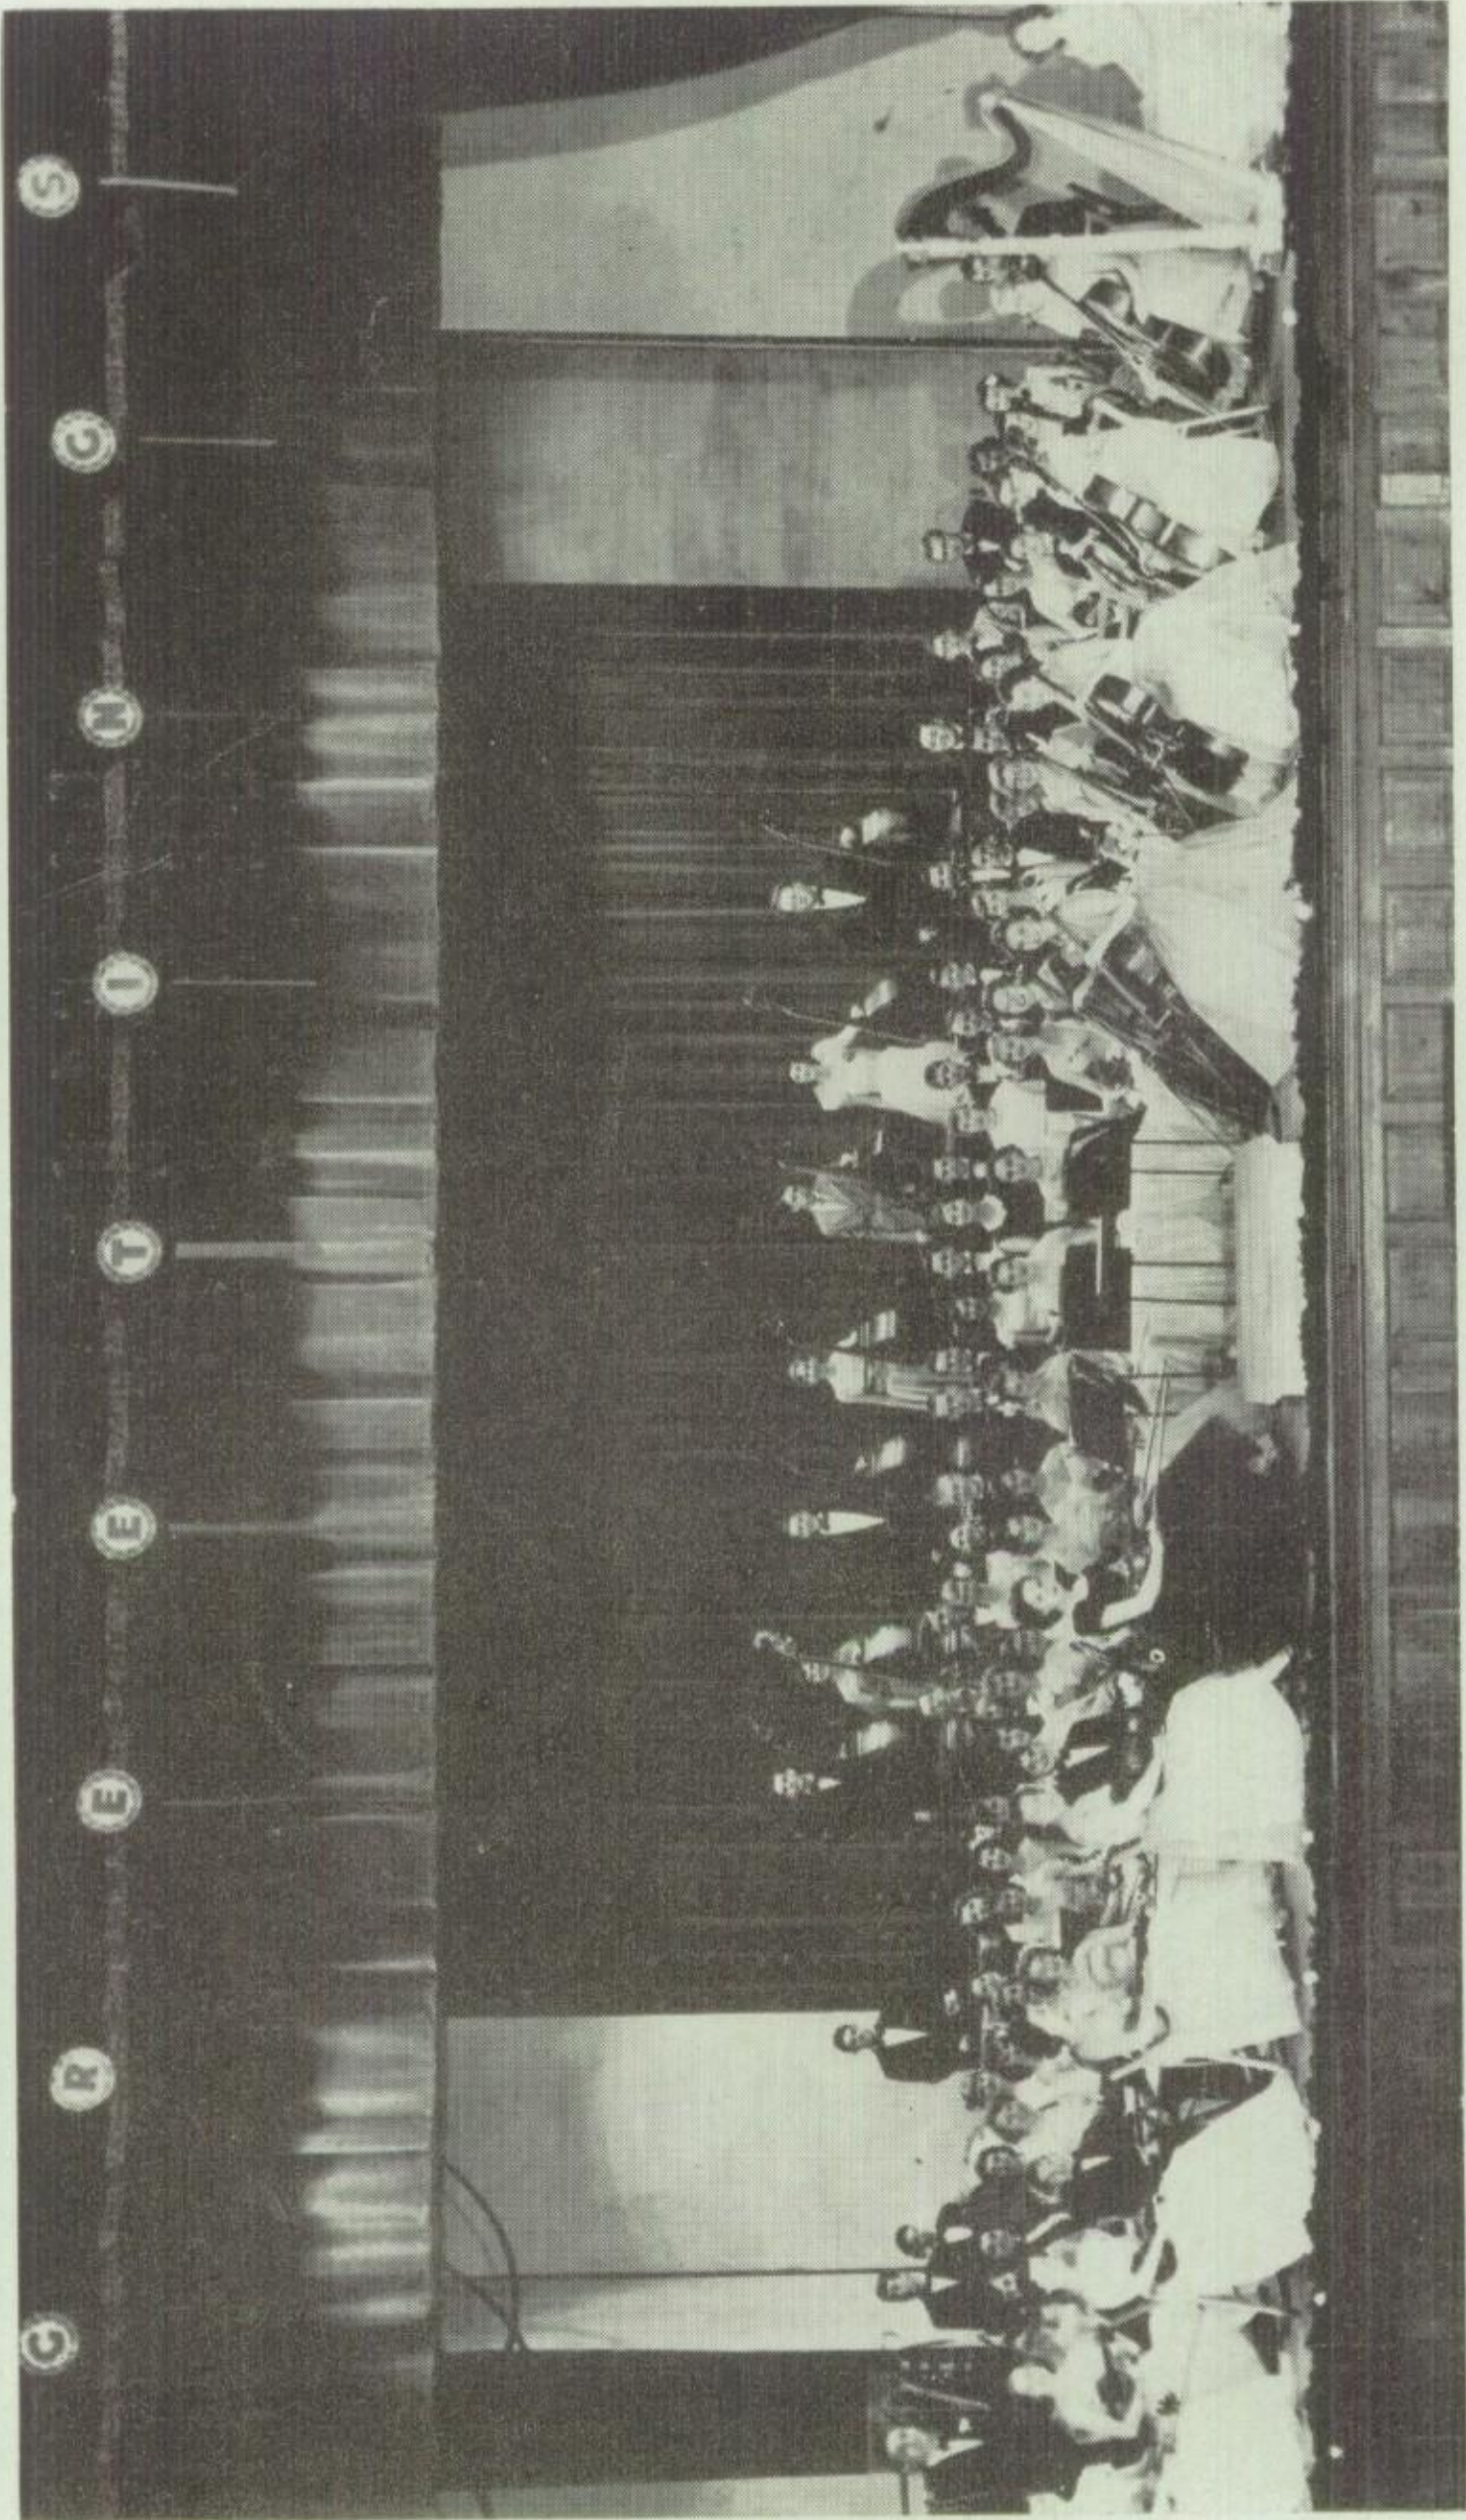

If you have had at least two years of Latin and would like to learn more about the club's activities, please join us next year.

I would like to thank Mrs. Dunaway, on behalf of the entire club, for sponsoring us.

ADVANCED GIRLS' CHORUS

# Advanced Girls' Chorus

This year Manual's Girls' Chorus has been especially active. The 73 voices have sung special numbers at numerous junior high school assemblies, churches, assemblies here at Manual, and meetings of the Delta Kappa Gamma Teachers' Sorority.

We have been joined by the boys in recording two programs for "Tomorrow's Travelers" and in performing in the Fall Follies and the Christmas and Spring Concerts.

This spring we have worked especially hard on solos, trios, quartets, madrigals, and ensembles for the Regional Music Festival at Southern High School. Many of our "songbirds" received superior ratings and were qualified to go to Lexington for the State Festival on the first of May.

We of the chorus take this opportunity to salute a great director and wonderful person. We extend lots of thanks to you, Mrs. Catherine Higgins.

We wish good luck to our 28 graduating seniors who are leaving a big gap to be filled by all our very capable juniors and sophomores. The following are graduating seniors. Stars indicate the officers.

BAND

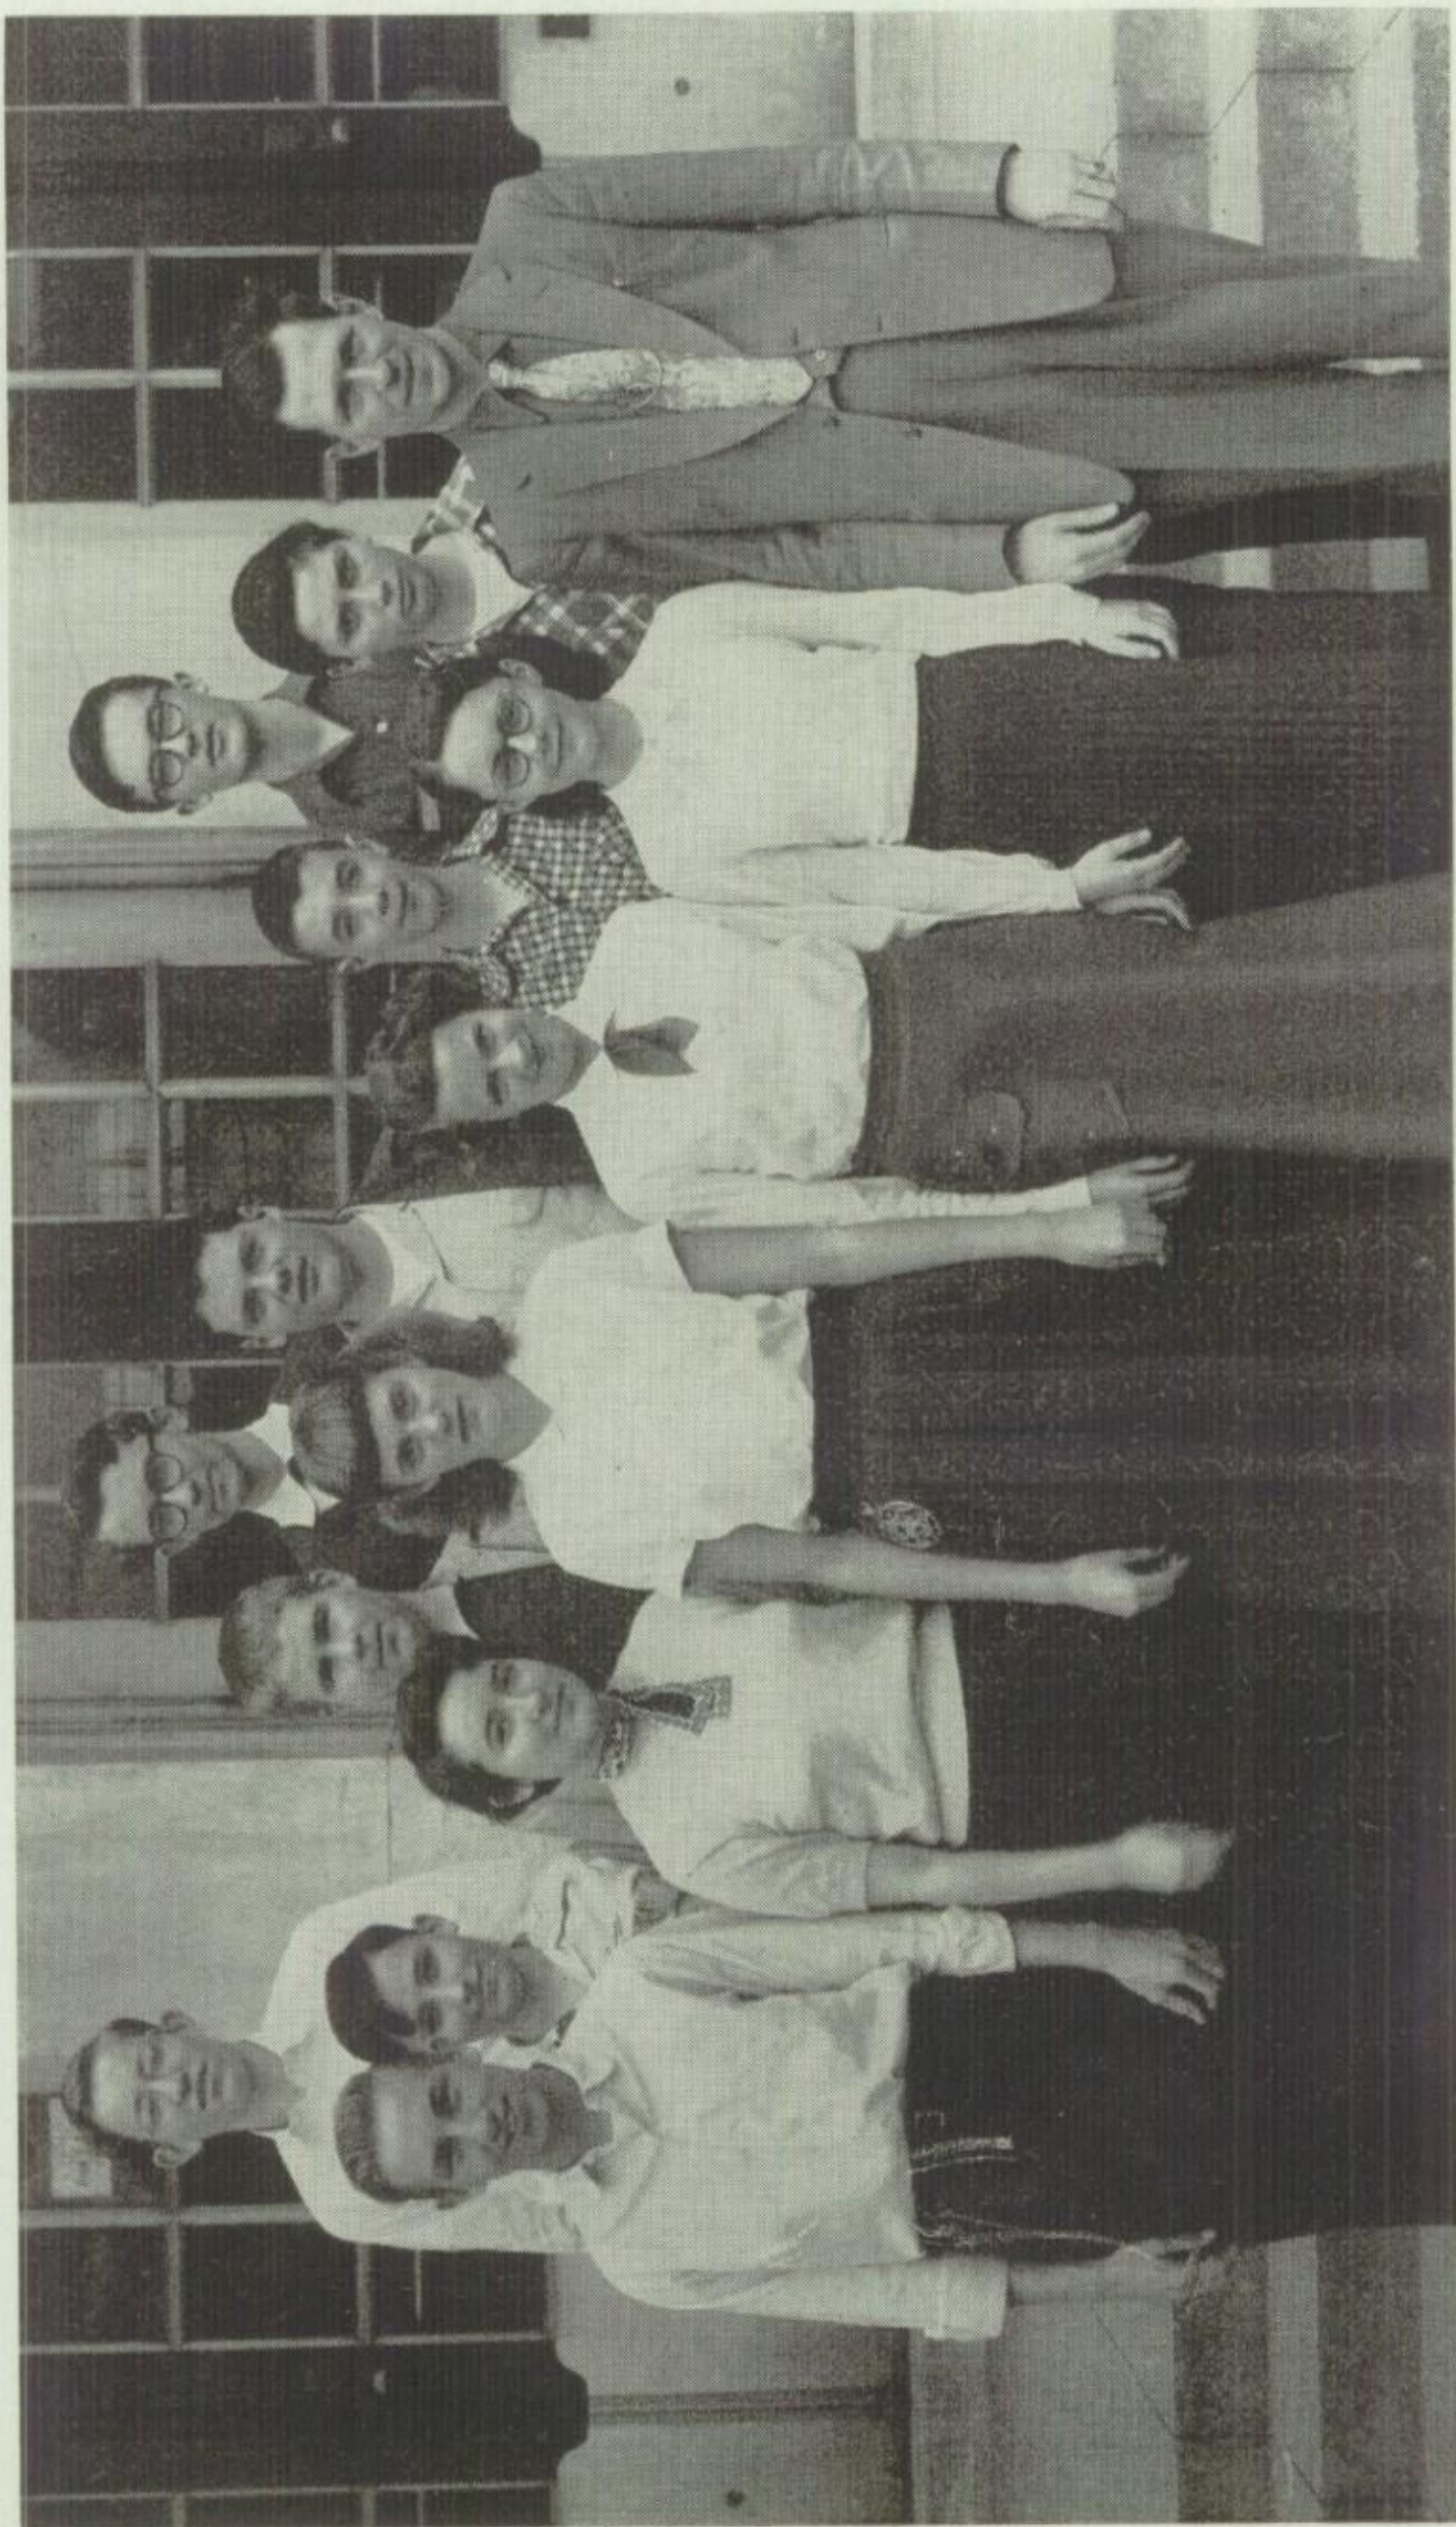

## Manual Band

The Band has just completed the most successful season of its career, the high point being the trip to Chicago. There we played for the National Music Educators' Conference. It was a wonderful experience, which will long be remembered by every member of the band.

Another adventure that is not going to be soon forgotten was the ten days spent at band camp. Following this was marching season and finally concert season. All in all, this year has held more surprises and fun than any yet.

The band would like to thank Mr. Griffith for all the long hours of hard work he has put in to make the band the wonderful organization that it is.

We have enjoyed many afternoons playing the fascinating game of chess. The club wishes to express its thanks and appreciation to our sponsor, Mr. Reynolds, for his patience, guidance, and good fellowship.

CHAPIN HI-Y

## Chapin Hi-Y

This has been a very successful year for Chapin in both membership and activities. We took the basketball tournament and we have been enjoying many social activities. At present the membership consists mostly of seniors. We cordially invite all who are interested in Hi-Y to join Chapin next September, if not now. Chapin wishes good luck to all graduating seniors here at Manual.

SPANISH CLUB

## Spanish Club

This has been one of the most successful years since its origin for "El Pasatiempo," Manual's Spanish Club. Under the guidance of Miss Givens we have built up a substantial treasury, learned more about our good neighbors to the south, and carried out many other projects. The most important part of our program has been to have fun while doing these other things—which everyone I'm sure will agree that we did!

Ercel Blansett won this year's point system contest. The contest is based on participation in club activities.

This year's officers have been:

REGULAR CRIMSON STAFF

## Crimson

The Regular Crimson has been very busy this year; because there was no mid-term class, we have put out more issues.

Anyone who would like to be on the staff should have his English teacher recommend him or her to the advisor. Although we do work hard to put out the Crimson, we have a grand time doing it, and there is always the K.H.S.P.A. conference in Lexington every spring to which we look forward.

Our graduating seniors are:

Libby Harrod

Ann Brown

Betty Anne Holtzclaw

Judy Bulmer

Jerry Morgan

Douglas Biddle

Carroll Lurding

The other staff members are:

Pat Miller

Alice Smith

Eva Gibson

Barbara Howlett

Mr. Bird is our long-suffering, but still amiable advisor.

See you next year!!!

CREATIVE WRITING CLUB

## Creative Writing Club

The Creative Writing Club has had a very busy year. A great deal of the club's work has been contributed to the Crimson, especially short stories, poems, and themes.

Other activities have been a Christmas party and a picnic at the end of the year. Our biggest project was a short story contest with a cash award of five dollars.

We would like to give our hearty thanks to our sponsor, Miss Frantz, who has been an inspiration to us all year.

The officers are:

## Junior Varsity Cheerleaders

The Junior Varsity Cheerleaders for 1953-1954 for the J.V. basketball and football seasons were:

Kay Mumford  
Betty Booher  
Patsy Stiff  
Barbara Shipley

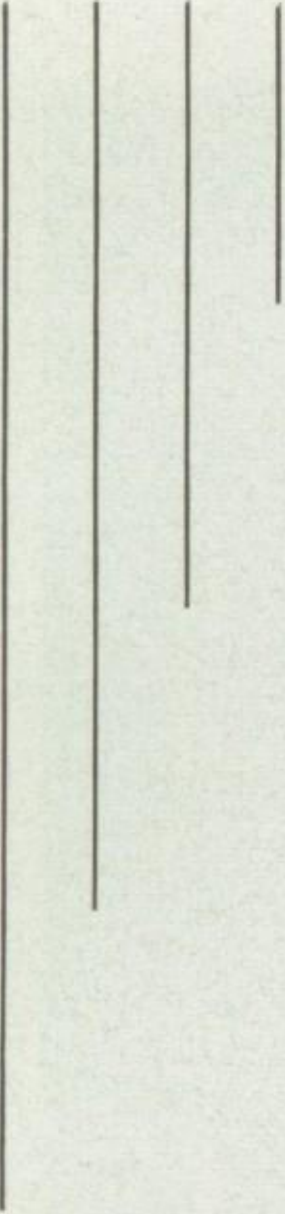

Martha Green  
Louella Charnock  
Lloyd Lindsey  
Art Gillis

We were the first J.V. cheerleaders who had regular uniforms and the first to cheer for the football and basketball teams, at all the games. We got to cheer in assembly for the Male-Manual basketball and football pep rallies.

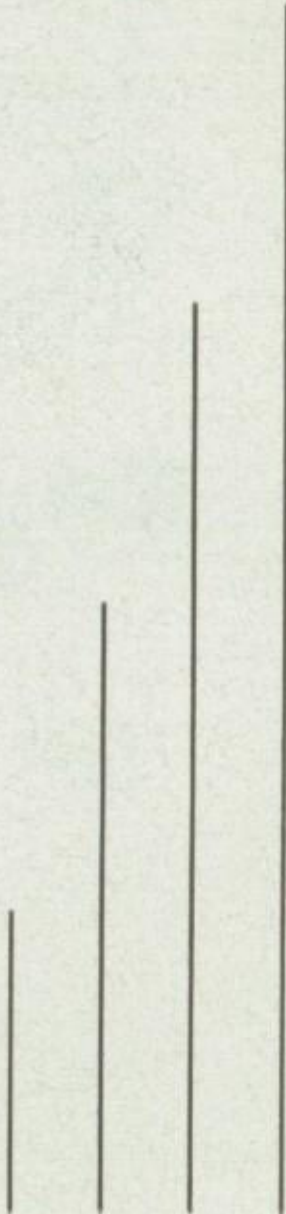

The J.V. teams had a pretty good season. Each and everyone of us felt fortunate that he was chosen as this year's J.V. cheerleaders.

Louella Charnock (Captain)

BASEBALL TEAM

# Baseball

## 1952

Another great Manual baseball team came through in great style. With some of the old pros, Cookie Grawemeyer, John Fleming, "Moe" Thacker and Neal Skeeters, and the help of some promising rookies, the team won 33 and lost 3. Manual won the state championship in handy style and went to Montgomery, Alabama to participate in the play-offs for the national championship. Manual lost in the first game, but they will always be remembered for their power and hustle.

## 1953

Mr. Kimmel's boys did it again! They left behind a record that Manual should be proud of, 25 games won and 3 lost. Led by seven lettermen, Captain Duffy Franklin, Co-captain "Bo" Carter, Tommy Lovell, Louis Vassie, Eddie Duncan, Phil Shartzter, and Bob Bunnell, the Big Reds won the city championship. Tommy Lovell pitched a no-hitter in the district tournament but the team lost a heart-breaker, 4-3.

## 1954

Manual's bats are aiming toward another great season. With eleven lettermen returning, Captain Louie Vassie, Co-captain Eddie Duncan, Phil Shartzter, Bob Ferriell, Norman Selvage, Bob Kessler, Don Murphy, Joe Porritt, Bill Parsons, Herbie Knecht, and Joe Dawson, the team's hopes and spirits are good. Led by these eleven lettermen and some promising newcomers, this team will, we are sure, uphold the Manual tradition in baseball.

TRACK TEAM

# Track

## 1952

Mr. Charmolis' "thinlies" wound up the season with a record of six wins and one tie. These boys deserve a lot of credit as they took part in the annual New Albany relays, taking second place, and the Regional and the State meets. Outstanding members of this year's squad were Arvon Bivin, John Trinkle, Don Cooksey, Terrell Vanover, Charles Waterbury, and Leroy Huehls.

## 1953

Hindered by the loss of the graduated seniors, Mr. Charmoli found himself with a group of inexperienced boys out for track. They surprised everyone, however, taking all 5 dual meets they participated in and qualified 3 boys for the State meet. Outstanding this year were Leroy Huehls, Joe Maloney, Jim Gibson, Jim Hudson, Norm Franklin, "Sonny" Woods, and Donny Godby.

## 1954

Our track team has been hindered somewhat by having to practice in the schoolyard and taking this fact into consideration, we think they have done well. Mr. Charmoli had only four lettermen returning from last year's team, around which he had to build this year's squad. Our team took first place in a triangular meet with Eastern and Shawnee and took fourth place in the annual New Albany Relays, after dropping the first two meets to very good Indiana high school teams. The captains were Bill Wood and Eddie Parker and other outstanding members of the squad were Tom Irwin, Mike Hemmer, Dick Smithson, "Rusty" Wright, Sam Patrick, Tom Zickle, and Bill Jacobson. With many of its members returning, the track team should have an even more successful season next year.

VARSITY BASKETBALL

# Basketball

1951-1952

Coached by Jack Burmaster, the Big Reds really rolled. Led by Captain Phil Grawemeyer, the Crimson Basketeers racked 19 straight victories before Flaget pulled an upset. The Manual boys went on to roll over all opponents in the district and region. In the state tournament the Big Reds went all the way before losing the finals to the Cuba "Cubs", a team which had fallen under the Crimson strength twice during regular season play. The leaders on this year's squad were Captain Phil Grawemeyer, Neal Skeeters, "Duffy" Franklin, Curtis Moffett. The state tourney showed the caliber of this Manual team.

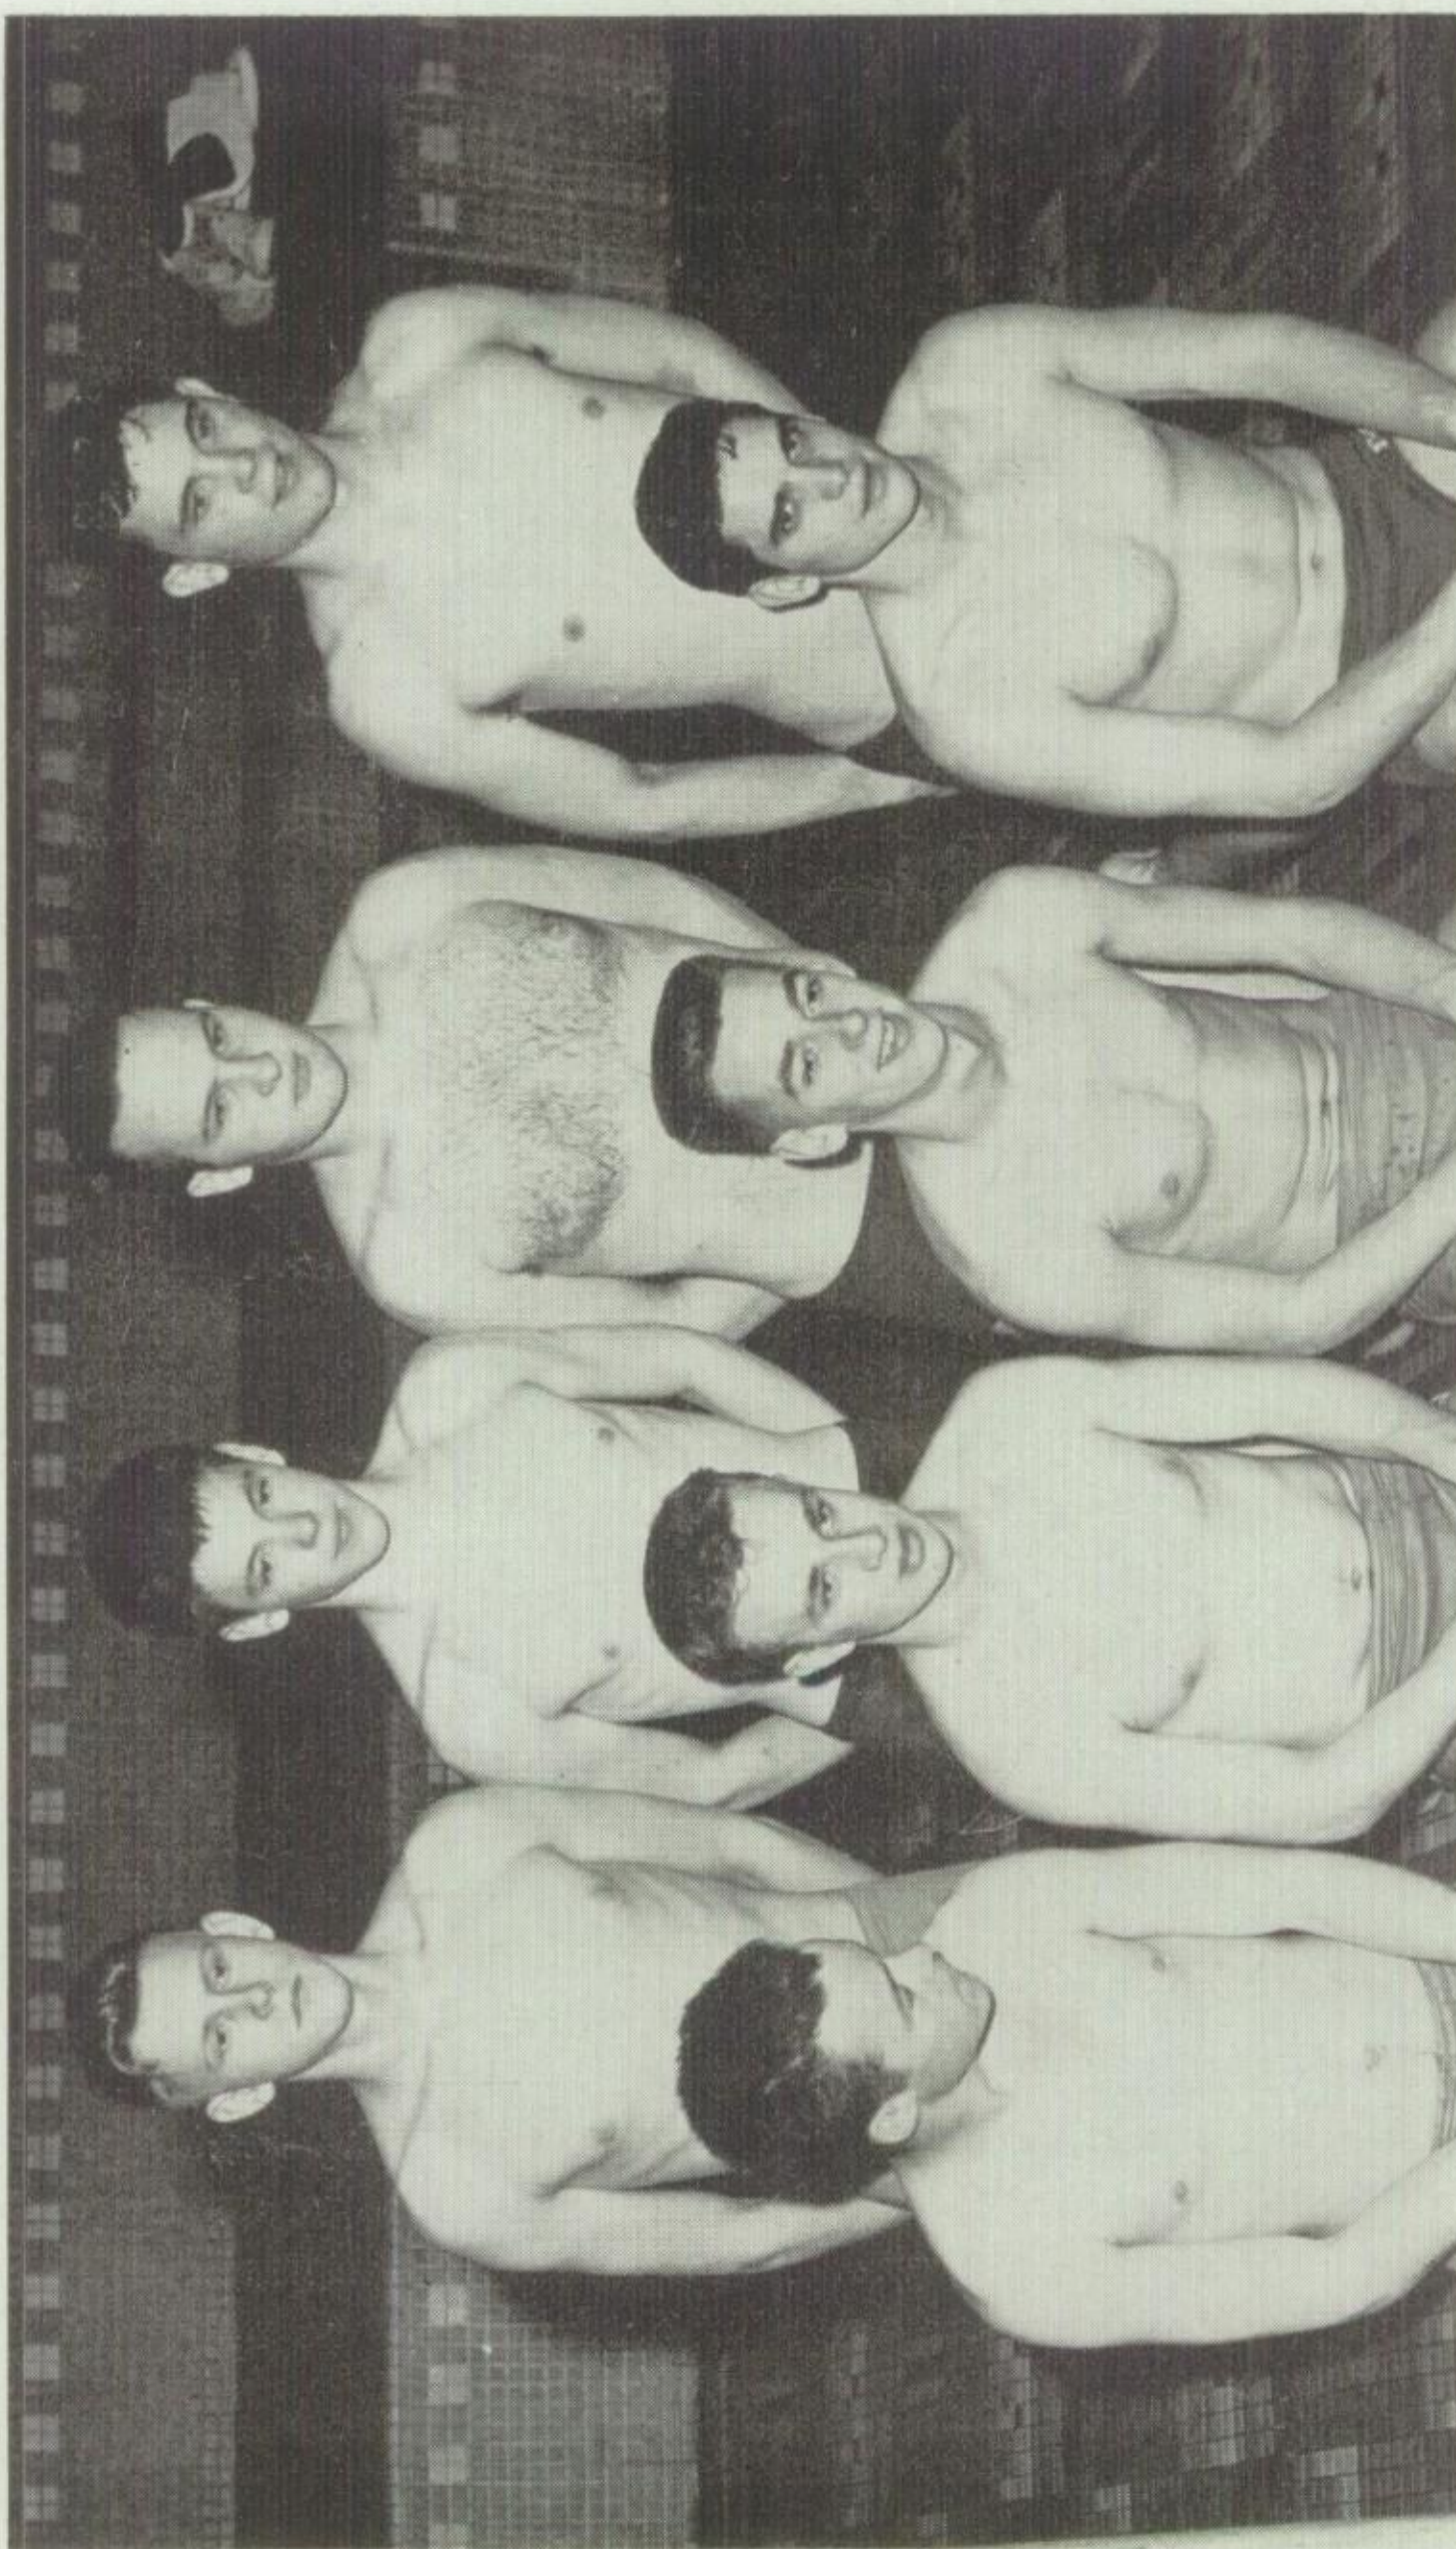

1952-1953

Coach Jim Riffey had an inexperienced group of boys with a "never say die" attitude. Although the boys did not have such an impressive record, 11 wins against 11 defeats, they won impressive victories over Faget and Male. The team, captained by Malcolm Roessler and led in serving by Ronnie Whitehouse, never started to move until the last part of the season. Leaders in this year's campaign were Ronnie Whitehouse, Phil Shartzter, "Duffy" Franklin, and Captain Roessler.

1953-1954

Coach Jim Riffey's "Hard Luck Kids" had a very successful season, compiling an over-all record of twenty-one victories and four losses. The Big Reds defeated six teams that were in the top ten in the state and won victories over every team in the seventh region. These boys displayed an unequaled team spirit and desire to win. We went into the district tourney with our center, Earl Beyl, and guard, Phil Shartzter, nursing injuries and lost a heart-breaker to Flaget 62-60 on a desperation shot. If the team had been at full strength, we here at Manual feel it would have gone far in the state. There is no doubt that Manual had the best team in this region and words cannot express how proud of them we are. The leading play-makers for the squad were Captain Phil Shartzter, Earl Beyl, Norman Kercher, Louie Vassie, Pete Tomerlin, Don Murphy, and Bill Mosely. These boys are truly the "greatest."

SWIMMING TEAM

# Swimming

## 1952

Under the direction of Mr. George Clay, this team entered the season confident of the outcome. Defeating Male, Flaget, and Atherton were all in stride, but a strong St. X. team, long a ruler of the city Tankers, overpowered the Reds in season play and again in the State Meet in Lexington. Flaget also got in the act, nosing out Manual for second place. Outstanding swimmers of the year were Don Dean (freestyle), Bob Sinclair (relay), Lester Stoll (freestyle), and Gary McCord (backstroke).

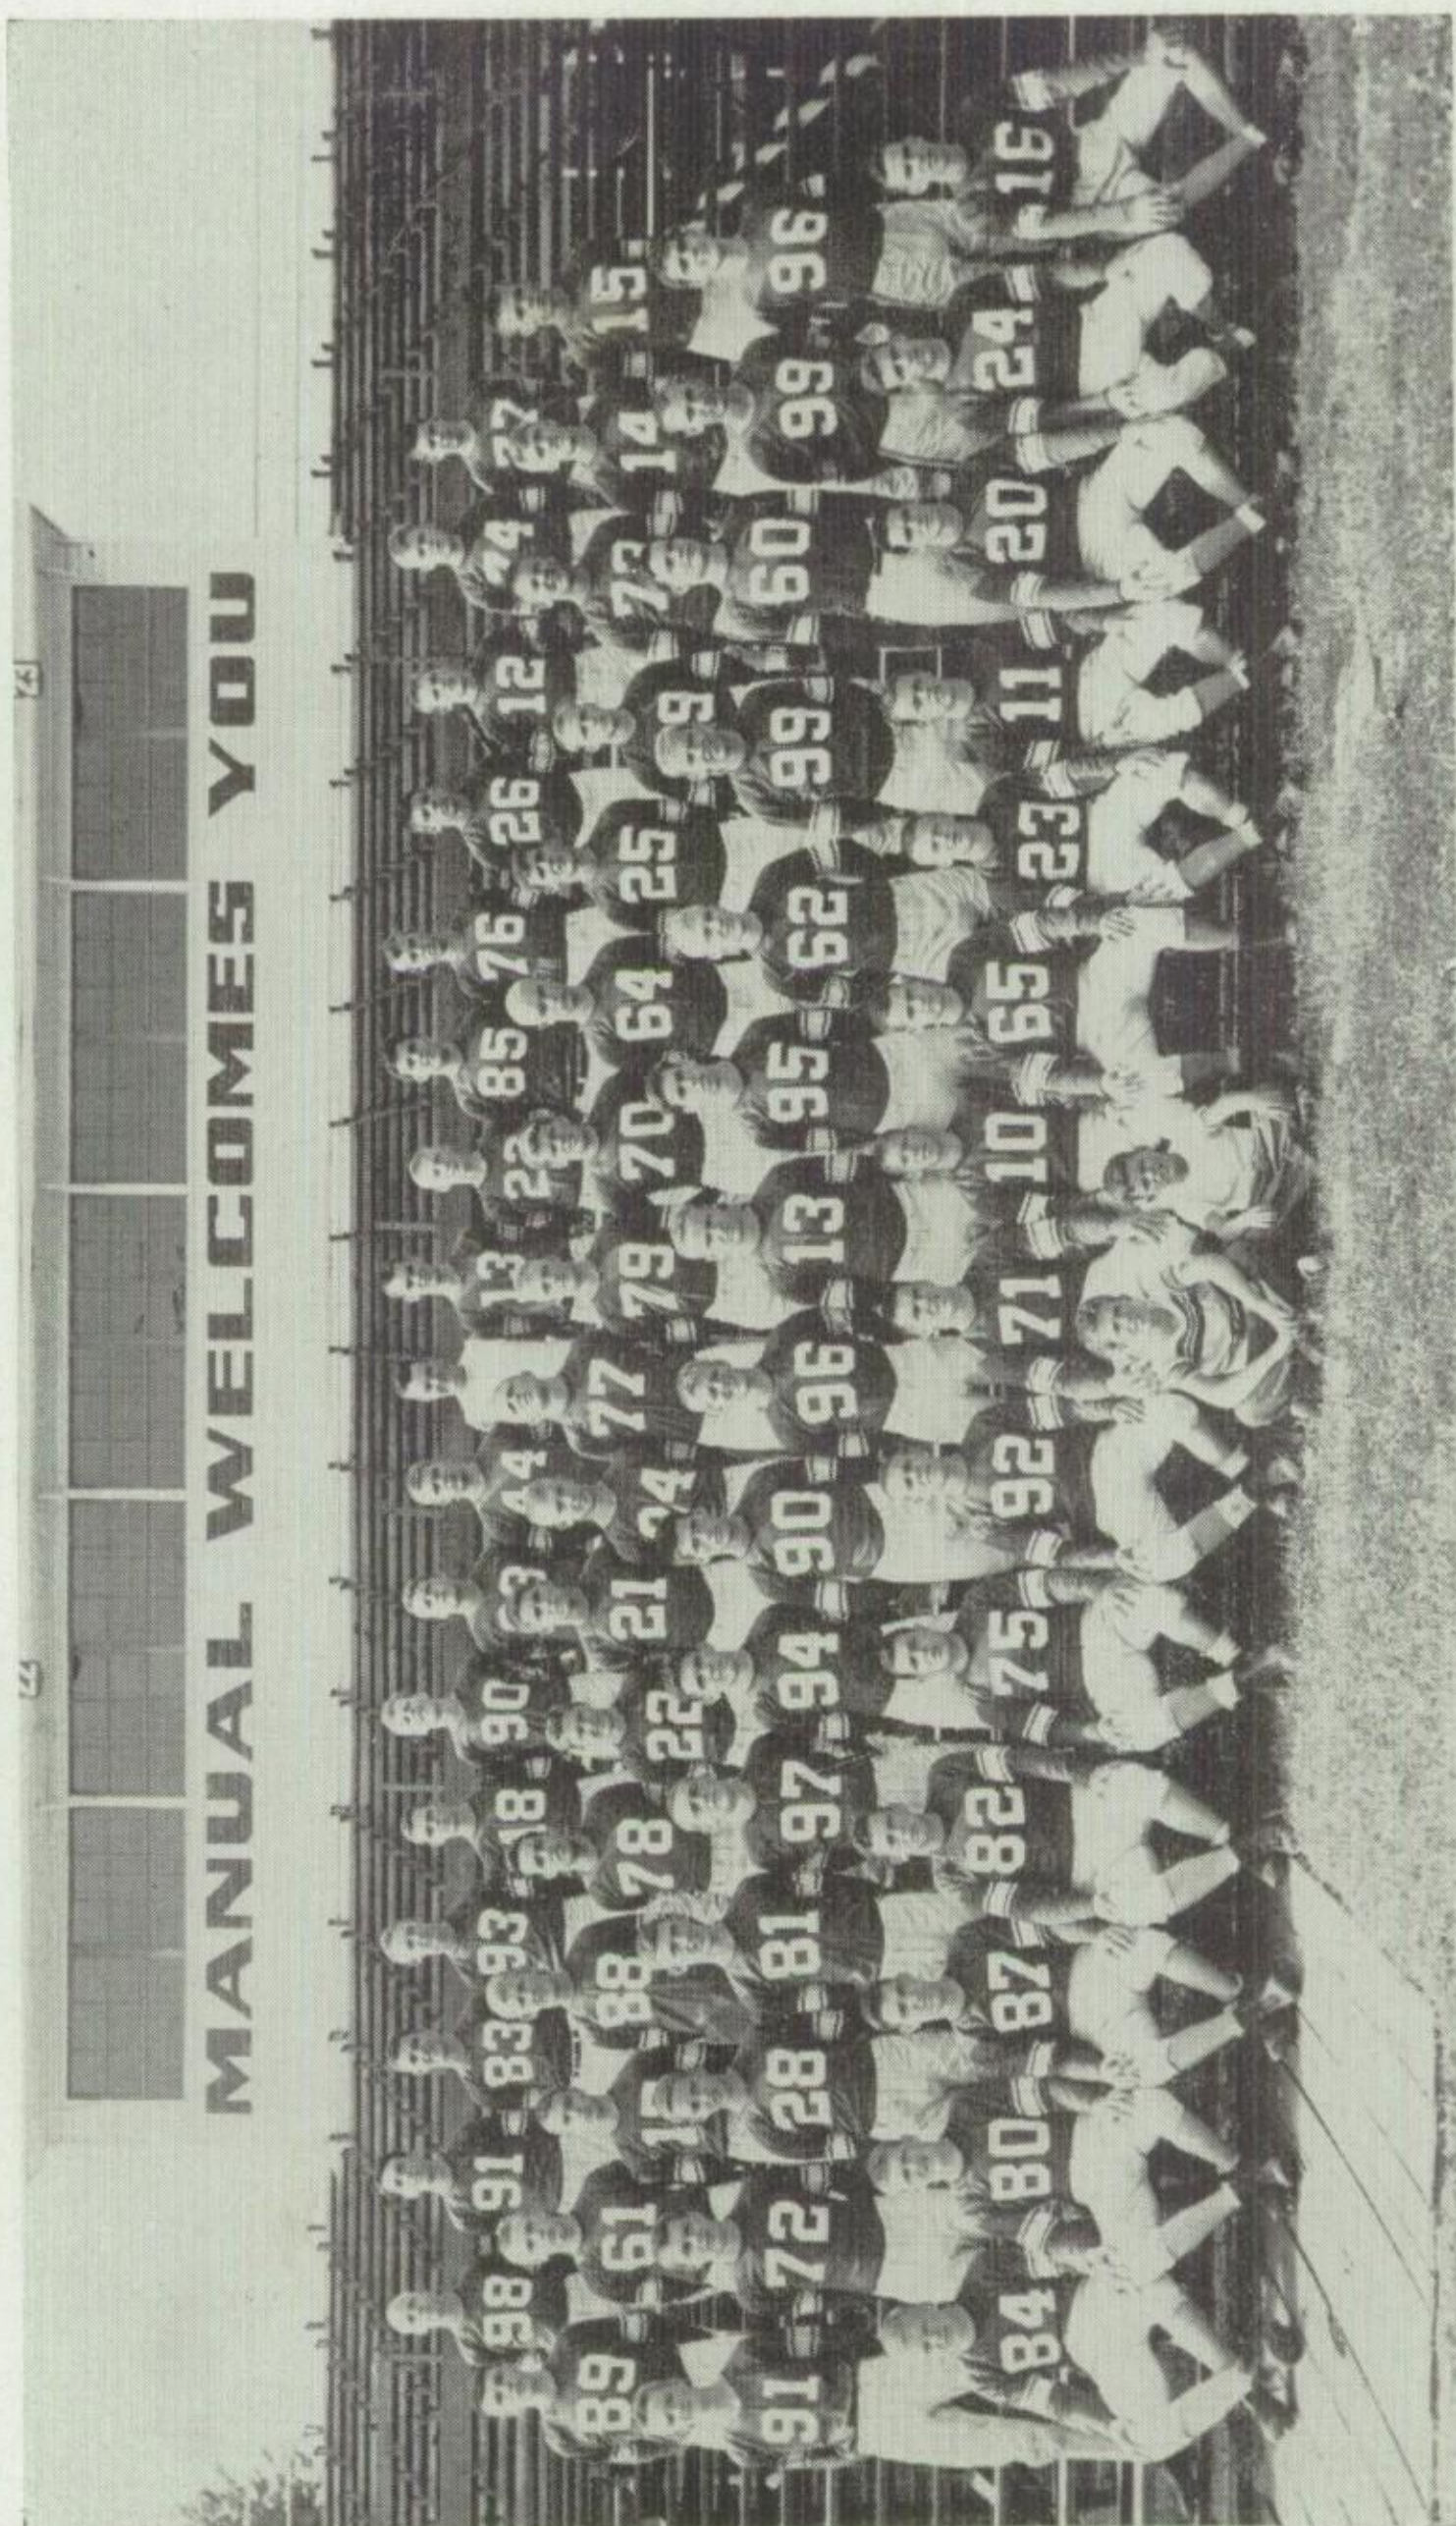

## 1953

This year's team got off to a slow start but was well up to par in time for the State Meet in Lexington. There were more out this year and the numbers of newcomers promised to turn out a much better team next year. The team was not to be tagged outstanding this year but was one of the better in the city. Co-captained by Don Dean and Barrett Short of last year's team, the group held their own in all meets in which they participated.

## 1954

This year's team was indeed under a handicap. They were without a place in which to practice and without a coach. Mr. R. P. Kerr, however, did a fine job acting as supervisor. Under his supervision the Tankmen tied Atherton in the only scheduled meet of the season. In the State Meet the Reds took a hard earned fourth. The Co-captains this year were Bob Leonhardt and Randy Waldron. Manual can well be proud of its "orphan" team.

VARSITY FOOTBALL TEAM

# Football

## 1951½

The team had a very tough schedule of out of town teams this year, dropping three games to the Southern group. Co-captained by Neal Skeeters and Leo Strange, the team showed strength and determination as they entered the annual Turkey-Day Game. After defeating Flaget and St. X., their chances for a city title were good. Time ran out, however, and all that was left was a 12-0 (Male) score which was no evaluation of the hard-played game. All in all the team played very well against some very tough opposition.

## 1952½

Four new city teams were added this year to the roster of Manual opponents. The newcomers to the city football circuit were: Eastern, Shawnee, Atherton, and Southern. Defeating the "little four" and collecting only one other win from St. X., the "Reds" finished the season with a 5-5 record. Manual received a bid to play in a bowl game in Pensacola, Florida but was forced to decline because of a ruling then in force. Co-captains Bob Stoll and Clyde Boston led the team in the big one against Male, succumbing 30-0.

## 1953½

The smallest team in Manual's history was formed this year. In size they were small but in spirit they were giants. The Reds won 4, lost 6, and tied 1. Manual tied a highly favored Flaget team and defeated Eastern, Valley, and Southern. Most of the losses were to highly rated teams. In the traditional Turkey Day game Manual outplayed Male in every aspect, but the very lucky Purples slipped past us by the score of 13-12. This year's team was captained very ably by Bobby Ferriell and Bob Woolfolk. This was Mike Basrak's last year as head football coach. Mr. Homer Jackson retired in April as a member of the coaching staff after 34 years of coaching.

## Golf

### 1952

Led by the Tyree boys, Harold and Eddie, the team finished the season with twelve wins and only four losses. They ranked second in the regional and went on to "cop" a high position in the state. Other members of the team were Charles Fife, Bob Golden, John Potter.

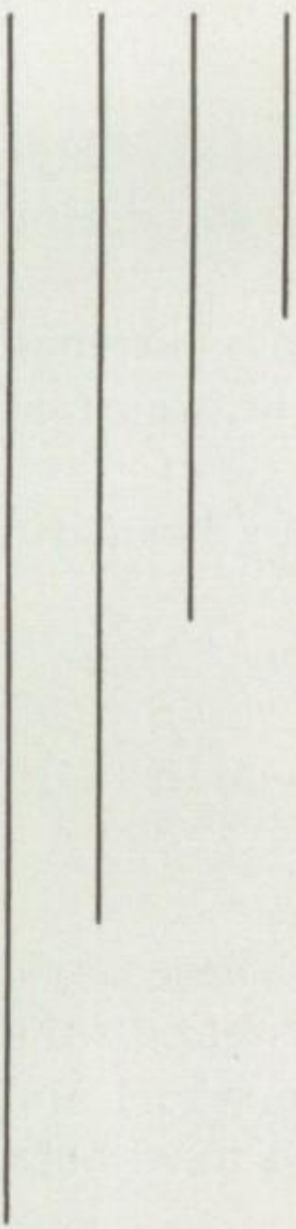

### 1953

The linksmen of Manual had a big season this year. Three members of last year's team returned to bolster the squad. The team had a record of twelve wins and only two losses. Leading the team were Captain Harold Tyree, his brother Eddie, Randall Hopewell, John Potter, Daniel Wiggins.

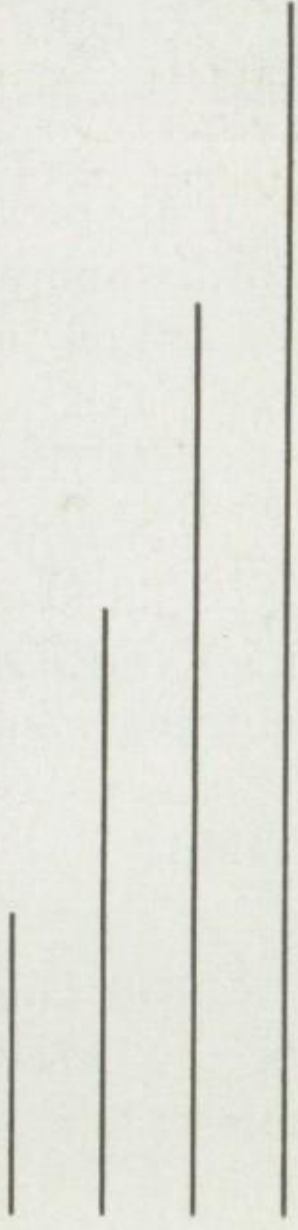

### 1954

Captained by Eddie Tyree, the team should have their best season. So far, they have won eight out of eight. Along with Tyree are Randall Hopewell, John Cody, Gerald Leach, Daniel Wiggins, Larry Oslin, and Lenvil Hurt.

An old farmer and his wife lived near the village church. One warm Sunday evening, while they sat dozing on the porch, the crickets set up a loud chirping.

"I just love that chirpin' noise," said the old man drowsily, and before the crickets had stopped, he was fast asleep.

Soon afterward the church choir broke into a beautiful chant.

"Just listen to that," exclaimed his wife. "Ain't it beautiful?"

"Yes," murmured the old farmer, "they do it with their hind legs."

"He licked his spectacles after eating his grapefruit."

"I'm sure we can help," soothed the postmaster. "That's a Federal offense. Have you any idea who is sending you these letters?"

"I certainly have," snapped the little man. "They are coming from those pesky income tax people."

## ***A Girl Can Be Proud***

... When she earns her high school diploma—and she should be proud when she takes her place as a wage-earner.

“Telephone Girl” is a proud title in business . . . whether it’s operator, clerk, or stenographer.

The telephone girl does interesting, useful work which is important to everybody.

She can be proud of her paycheck which grows steadily. She can be proud of her business home and the friendly girls with whom she works.

Thorough training gives her confidence and good performance earns her promotion.

YOU, too, can be pleased and proud with a telephone job.

## A WORLD OF OPPORTUNITIES

WE'RE living in a *pushbutton* world of opportunities with science lifting our horizons higher and higher. Our great challenge of this generation is to educate and equip ourselves and our fellowmen to use this new and bolder science for human purposes, rather than inhumane. As you go out from the Classes of '54 to seek more education or jobs, take the light of learning with you so that you may live with yourselves and your fellowmen in peace and common prosperity.

### **Who Want To Earn Good Incomes**

When you complete your High School course, you will probably find it easy to get an immediate job.

If you are taking the Commercial Course, you may have offers of clerical office jobs. If you are taking the General Course, you will probably have a choice of clerking or factory work.

If you are interested in your future, however, you will want to hold out for a position where there are opportunities for future advancement.

Before you decide, it will pay you to look over our latest bulletin, "Keys To Success." It explains how a few months of specialized training for business can make a great difference in future earning power.
